Subject : Request for Confirmation

Dear Sir,

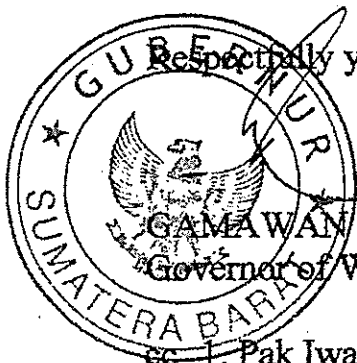

Referring to your letter dated July 15, 2008 concerning the authorities of Mr. Salpar Rizal as reported by Business Times recently, we could hereby explain as follows :

1. Me. Salpar Rizal is a chief of technical service unit of LIK (small industry area) in Ulu Gadut, a small county in Padang.
2. Authorities of LIK chief has nothing to do with mining licens eand nor with processing of mining product.
3. Mining license is under authorities of pak Bupati (Head of Regency) of Lima Puluh Kota meantime forest area is under authorities of Forestry Minister.

Accordingly, what has been reported by Business Times is not true at all. Neither in substance and nor under authorities of Mr. Salpar Rizal. In addition, is that the area which is going to be used by PT. Dasacipta Pusaka Prima has been approved by Forestry Minister by License No. S.345/Menhut-VII/ 2008 dated 20 June 2008.

We hope that our clarification and confirmation could help you as reference to revise incorrect news reported by Business Times.

Respectfully yours,

GAMAWAN FAUZI
Governor of West Sumatera
